DEDICATION

To Miss Margaret E. Carpenter, who served Salina High School for more than 20 years, we dedicate this 1948 year book. Faithfully teaching her three classes, Junior English, Journalism, and Trail Miss Carpenter gained many friends and was loved and respected by all who knew her. Miss Carpenter, not only busy in school work, was also very active in social and community affairs, having been officer and active member of many clubs and Teachers' organizations. Following a short illness, Miss Carpenter died February 11, at Asbury hospital. May this book remain in our minds as a monument to her memory.

Big Top

Washington

As one more year
Fast fades away,
Let's take one minute
From a busy day
To look at Washington
With admiring eyes
To exalt her
To majestic size.
She, crumbling a bit
From wear and tear
Is really loved
By us, who care.
Who have shared with her
Our school-day hours
She has helped mold
These lives of ours.
This tribute to Washington
We solemnly raise,
"May she always stand high
Uplifted by praise."

Side Show

The dramatics club of the Salina High School, National Thespian Troupe 639, was organized in 1945 and has presented one of the school's outstanding dramatic productions each year since then.

The club, under the sponsorship of Jack Kelly, head of the dramatics department, provided for the production end of "The Mikado", the junior play, "A Date With Judy" and the senior play, "Arsenic and Old Lace", besides presenting its own play.

Members are admitted by election through tryouts and only fifty members are accepted each year. Students are required to keep up a good record of dramatics work and service to the club to retain their membership.

Crew workers maintain a full stock of costumes on hand for any purpose, a complete property department for all hand props, a lighting setup with new equipment, and stage background and scenery which is repainted and kept in order by the stage crew. Expert make-up crews with skilled hands apply make-up for all productions.

All in all, every field of dramatic art is covered by the members of this club as they strive to better the quality of dramatic productions in Salina High.

The Salina Debate Squad entered five tournaments this year, placing second in two of them and ranking among the top few in the other three. They entered the district tournament at McPherson,closing the season by placing third in that contest. Schools visited included McPherson, Topeka, Wellington, Hutchinson, Lawrence, and Wyandotte. The Salina debaters also gave a tournament of their own January 16 and 17. With over 60 entered, the tournament resulted with Russell High placing first. Salina ranked among the top teams in the state during this season and their experiences have been most enjoyable and interesting. The ultimate goal of each debater is to gain enough points to earn membership to the National Forensic League, an honor society for speakers and debaters based on points and merits from public speaking.

Special Performance

Scenes From Mikado

Once each year the Washington Music Department, in cooperation with the Dramatics Department, presents an outstanding fall musical production. This year the voice students offered as their contribution to the top four presentations of the year in dramatic arts, Gilbert and Sullivan's famous light opera, "The Mikado." "The Mikado" was given in Washington auditorium November 20 and 21, 1948. Anyone familiar with the theatre knows that four productions in two days is really quite a task, but this is just what these hardworking actors and singers accomplished.

The cast of this gay, romantic opera was carefully selected by the directors Paul Ryberg, head of the vocal department, and Jack Kelly, head of the dramatics department. Those appearing in the leading roles were:

Don Miner	The Mikado of Japan
Lynn Ryberg	Nanki Pooh
Lee Roy Shank	Ko-Ko
Kay Patterson	Yum-Yum
Sally Early	Katisha
Dick Conrow	Poo-Bah
Donna Sasnett	Pitti-Sing
Rosemary Kennedy	Peep-Bo
Paul Niehouse	Pish-Tush
Bob Opdycke	Umbrella Carrier

The understudys for these leads were, respectively, Richard Hemphill, Phil Rose, Charles Williams, Lavonne Pierson, Mary Hall, Charles Nelson, Wanda Gawith, Arnell Goodwin, Dale Powell.

The production end of the show was headed by these chairmen: Robert Conrad, business manager; Doris Wertz and Norma Brust, accompanists; Don Jensen, publicity; Lois Heywood, reserved tickets; Jackie Lamme, ticket sales; Ruth Peterman, costumes; JoAnn Crews, make-up; Jack Sutton, stage; Bob Short, lighting; Bob Barr and Stanley Crook, bookkeepers; Marilyn Harris, ushers; Jane Wilson, program; Donna McCosh, properties; Carl Peterson, posters.

LETTERMANS CLUB

The Lettermans club is composed of boys who have lettered in any of the sports sponsored by the high school during any of their freshman to senior years.

Being a service club they have achieved many things this school year, their purpose being to promote higher levels of sportsmanship, to advance felowship among participants in the different sports and to be of service to the school.

Among the various events they have sponsored this year were the "B" basketball games at which they ushered, sold tickets and performed the many small tasks which are so vital in keeping any sports encounter running smoothly.

With the proceeds from these basketball games they have started a sports film library, in which they hope to have a film of every sport in the future.

The lettermans club will no doubt be seen again this spring helping ir. the various track meets.

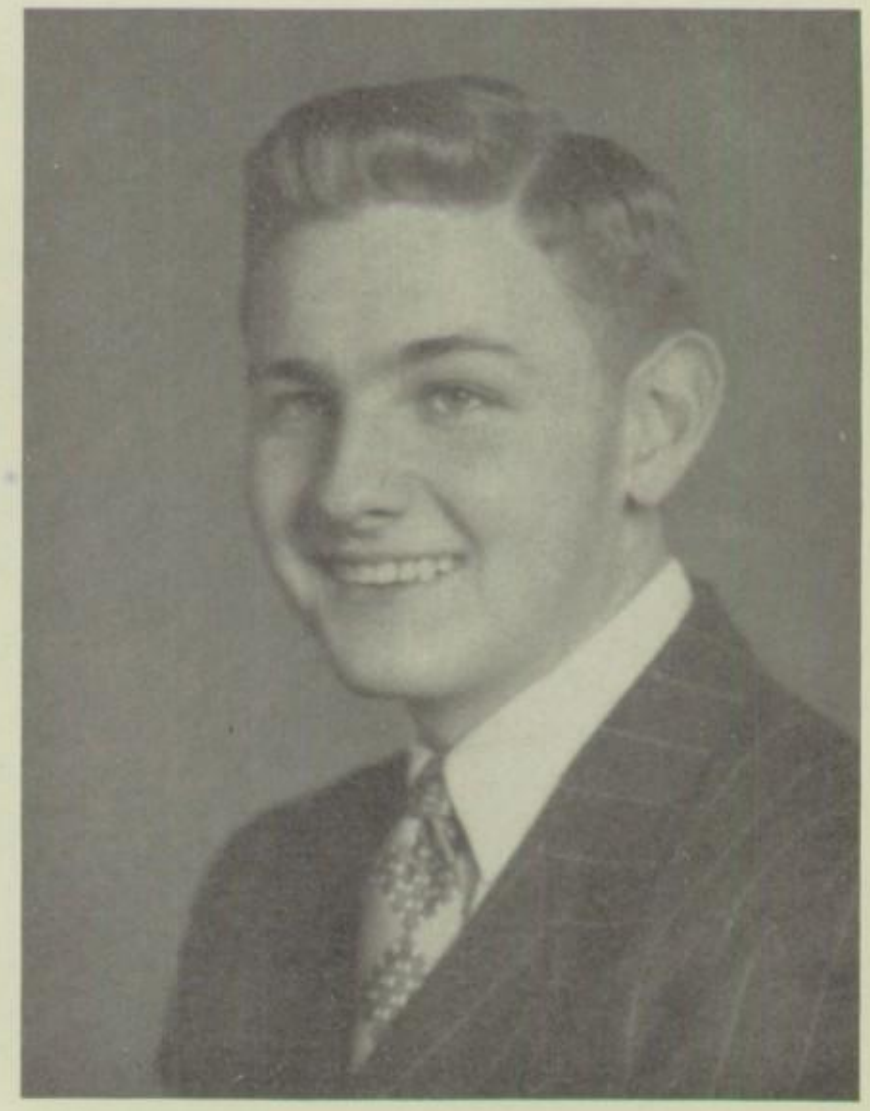
She has been a star performer the previous years under the Washington High Big Top. The first spot light to descend on Donna this year brought forth her talents to the public as the Senior Class Secretary. She has been awarded one of the highest honors a Senior Girl can receive, the Salina D.A.R. good citizen. Donna was a delegate to girls state. Her gracious manner and radiant personality have kept her surrounded with friends in everything she participates in. These qualities truly make her representative of the class of '48.

Representative Boys

John



Alan

This is the second time in Salina High School history that two boys have tied for the honor of Representative Boy. The Senior Class of 1948 and the faculty have chosen John Griffin and Alan Heath, who have proved themselves capable of handling the responsibilities given them in a most commendable manner. John and Alan are ring masters of each of these circles. The first circle, achievement holds their valor, boldness and accomplishments. The second ring, and one of the most valuable is comradeship. The third, and middle attraction is their ability to co-operate. The next ring is easy to see, because John and Alan are most famous for their dependability. The last, and greatest circle which they pattern after is high ideals. Gathering the circles together we have one grand performance representing our class.
